

Academic Theme

Serif typography and a restrained navy palette for notes and reports.

Quadratic practice

Solve $x^2 - 5x + 6 = 0$ and explain each step.

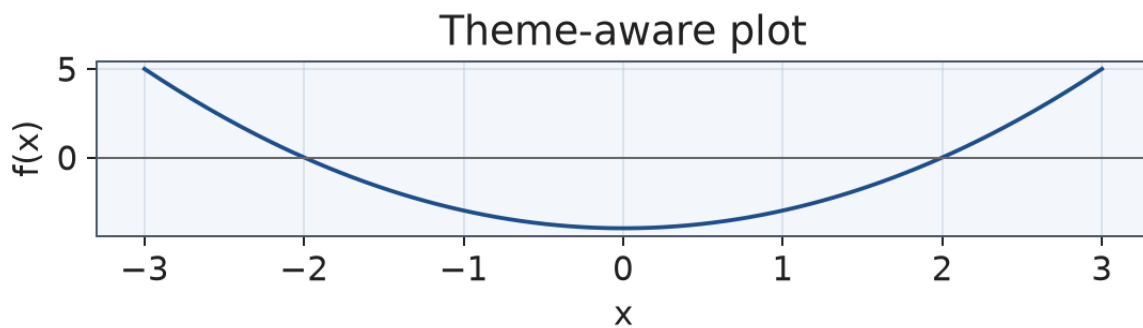

The plot inherits the document theme automatically.

Classroom Theme

Larger type and generous spacing for projected or student-facing material.

Quadratic practice

Solve $x^2 - 5x + 6 = 0$ and explain each step.

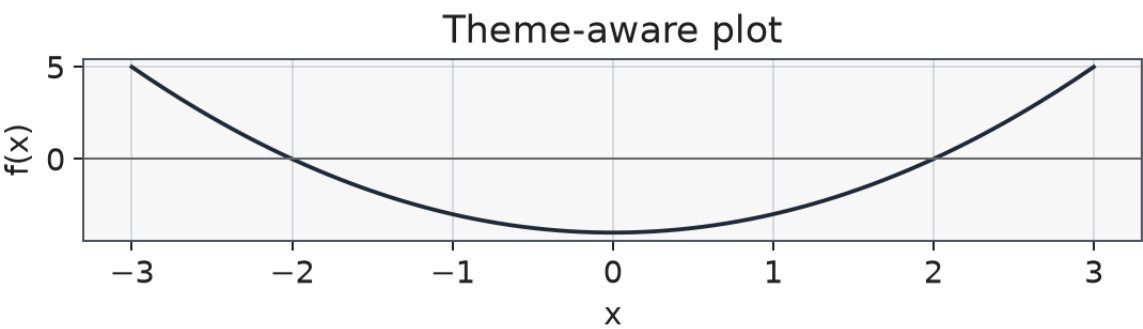

The plot inherits the document theme automatically.

Assessment Theme

A neutral, focused layout for quizzes, tests, and examinations.

Quadratic practice

Solve $x^2 - 5x + 6 = 0$ and explain each step.

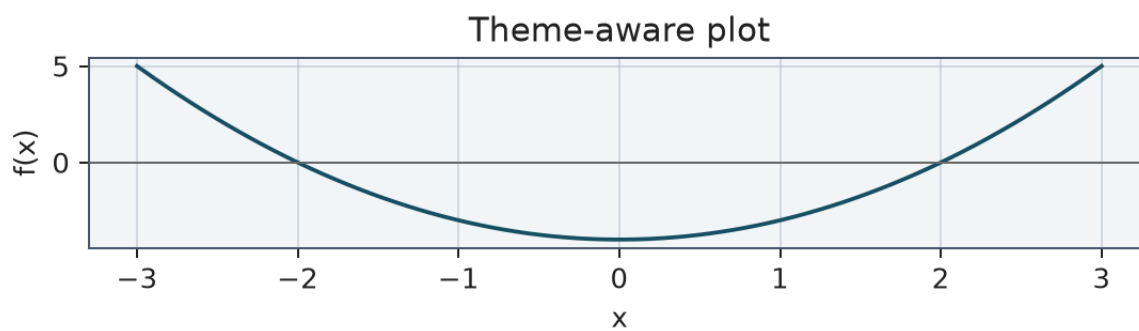

The plot inherits the document theme automatically.

Engineering Theme

Compact typography and a technical blue-gray treatment for reports.

Quadratic practice

Solve $x^2 - 5x + 6 = 0$ and explain each step.

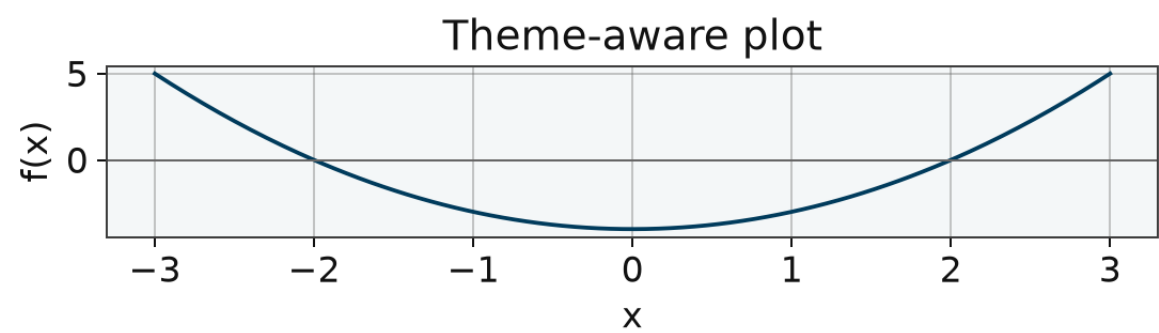

The plot inherits the document theme automatically.

Accessible Theme

The largest type, strongest contrast, and most generous reading rhythm.

Quadratic practice

Solve $x^2 - 5x + 6 = 0$ and explain each step.

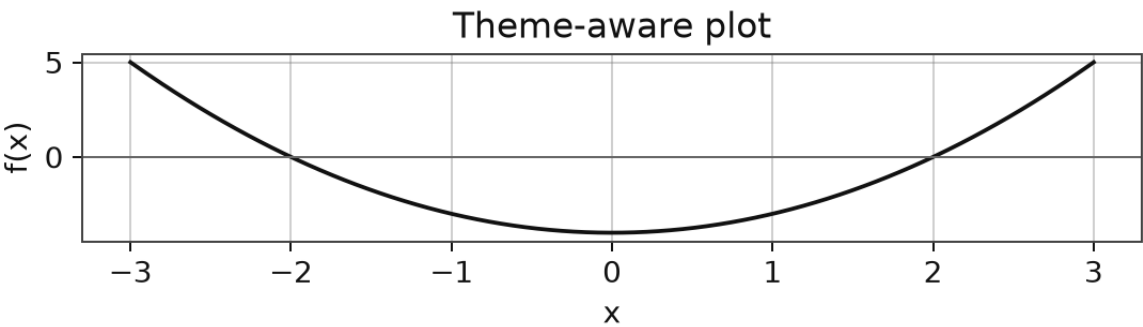

The plot inherits the document theme automatically.

Ink Saver Theme

A grayscale, low-ink design intended for high-volume printing.

Quadratic practice

Solve $x^2 - 5x + 6 = 0$ and explain each step.

The plot inherits the document theme automatically.
